Hi John,

We are re-sending this e-mail to you because you were out of the office until May 28, 2013, when we first sent it on May 20, 2013. Any updates you could give us regarding sample results, if any, would be most appreciated. Again, as the prior e-mail stated, please let us know if we need to FOIA this information and please specify what files we might request.

Thank you so much for your help in this matter.

Dear John,

Members of CCRR are wondering if the GR District Office has yet received any sample results or any other updates of information regarding the on-going investigation and remediation of the WWW Tannery Site. Would you please send us any updated information that you might have?

If we need to FOIA this information, just let us know so that we can begin the FOIA process.

Thank you very much,
